

15-7-15 Dear the Baylegate staff,
Many thanks for letting us
visit your magnificent
museum. It was really enjoyable
for all of us. My personal favourite
exhibition was how much detail
was put into each and every
wax figure. Truly amazing
work!

I asked around the class to
what their favourite exhibition
was. My best friend, Will,
commented; 'The room with the
life-sized toy soldiers were
cool!' Also, my other friend,
James, stated; 'The toilet room
chucked me up!' These are just
some of the amazing statements!

Finally, the class voted on their
favourite exhibition. Eventually,
the war medal room prevailed.
Once again, thank you and, also,

now we've told you our opinions,
why NOT reply back? Did you
enjoy having us here?

Sincerely, Billy Clarke.

New Pasture Lane Primary
School Student.
