

To the Bolegate museum,

Thankyou ever so much for

letting us come to the bolegate museum
and opening it. espially for us I loved all the
special facts that you told us.

When the lady told us about the caretaker
was exressed for a ghost it made us all laugh
it was really funny. The best fact I found out
was that in 1 room it cost £1million, at first I thought
it was ordinary but when she said I was shocked!
In the darkest room that I saw, I swear I saw
a ghost and when I looked on the camera
it brushed past the screen, I called it Sreddy.

I loved the trip and I wish It could go again
in all the rooms and hopefully see Sreedy again

Yours Sincerely
Clayton
